## Important Company Policies for a Successful Relationship

We strive to provide you the best personalized care available. To make this possible we adhere to a set of very important guidelines. Please read them carefully, initial all the boxes, and indicate your agreement by signing on the bottom of this form.

### Late Policy “10-minutes”

Being late by more than 10 minutes will require you to either reschedule or wait for the next available opening. There are no guarantees since openings due to cancellations are unpredictable. We do not allow appointment overlap because this undeservedly compromises the care of another patient.

### 24-Hour Advance Notice Fee

If you wish to change or cancel an appointment we require a minimum **24-hour advance notice**. Anything less will result in a **\$25 fee** charged to your account. If costs us money to make appointments available to you. Whether you attend or not we still accrue the expenses (for staff wages, rent, etc.). We don't charge you the actual cost for that appointment but rather a mere **\$25 fee**. We do NOT make money with this charge; it's only to act as a deterrent from making last minute changes. Advance notice allows someone else (who needs it) time to reserve it in place of you. Please be courteous and responsible. Thank you.

### Copays are due upon arrival

If you happen to forget your wallet or checkbook we may still be able to see you upon completion of an “Extension Request” form. This is a “promise-to-pay” form and carries a minimal fee that allows you to keep your appointment.

### No-shows are bad

If you fail to show for an appointment without notice all future appointments will be removed and a **\$25 fee** assessed to your account. You may re-schedule appointments again on a “first come, first serve basis”.

### Cell phones must be shut OFF or silent

We realize emergencies may arise and therefore allow you to carry your cell phone during your session, however, please be courteous and set to silent mode or turn off. Thank you.

### Children requiring supervision are NOT allowed to attend sessions with you.

Unless your facility offers child care services, you may not bring children who require supervision with you to your appointment. If your child does not require supervision and is capable of waiting for you quietly then you may bring them. If any disturbance is caused to other patients or staff members you may be asked to terminate your session early and attend to your child.

### Financial Hardship

If you are experiencing financial difficulties and are unable to afford the cost of our services we have a “Financial Hardship Form” which may be filled-out. If you qualify for financial assistance according to the Federal guidelines, we may legally assist you by waiving or discounting your (patient responsibility) portions of the bill. Ask the front desk person for assistance.

### Important Notice from the Federal Government:

“It is unlawful to routinely avoid paying your copay, deductible or coinsurance payments...even if your doctor allows it. Unless you complete a “Financial Hardship” form and qualify for financial assistance under Federal Standards, you may NOT routinely evade paying your responsibility portions for medical care as outlines in your insurance plan even if your doctor allows it. You both may be charged for breaking the law. This includes services deemed as” professional courtesy” and “TWIP’s – Take what insurance pays”. Failure to comply places you in violation of the following laws: Federal False Claims Act, Federal Anti-Kickback Statute, Federal Insurance Fraud Laws, State Insurance Fraud Laws. Failure to comply may result in civil money penalties (CMP) in accordance with the new provision section 1128 A(a)(5) of the Health Insurance Portability and Accountability Act of 1996 [section 231(h) of HIPAA]. Exceptional cases do apply. Please see contact info for more information. Office of Inspector General, Department of Health and Human Services.
